LOCAL RESEARCH AND LOCAL ISSUES FOR TARANAKI

Tuesday 19th June

10.45am morning tea. 11.00am - 2.35pm (incl. lunch break)

What local research has been happening at the Dairy Trust Taranaki Gibson Farm?

What are some of the key local issues facing Taranaki?

- What has been on farm FEI research (both here and nationally)?*
- What are the profit and production numbers for Taranaki?*
- What is the key current animal health issues for the region?*
- What is the future research focus for the region?*

This event is run with support of Dairy Trust Taranaki, DairyNZ, Taranaki Vets, Fonterra, who will help to answer these questions.

What will be covered:

- A review of the research carried out by DTT, Debbie McCallum (DTT)*
- FEI trail work and the impact, Sally-Anne Turner (DairyNZ) and Gavin Scott (Fonterra)*
- How the numbers stack up for Taranaki, Rob Brazendale (Dairy NZ)*
- Key animal health issues for the region, Dallas Nelley (Taranaki Vets)*

Where:

Fonterra offices - Southgate Centre Corner of Whareroa Road Hawera
